Please support the SunRidge Elementary School

On behalf of the SunRidge Educational Foundation, this is a request for your support of our annual online auction to be held April 22 – May 6, 2021. SunRidge School serves over 270 students in grades K-8 in Sebastopol and is dependent on donations from individuals as well as local and larger businesses.

This year SunRidge needs your support to cover the cost of Specialty teachers, including Handwork, Instrumental Music and Instructional Aides. These teachers are an integral part of a Waldorf-inspired curriculum and necessary assistance to the class teachers. Normally, these salaries would be covered in the school budget, but the pandemic has greatly impacted funding for Sunridge.

You can help ensure the School's long-term success by contributing to our online auction either by donating an item or making a monetary donation. Along with our wonderful faculty and the community's passionate involvement, we can continue to create bright futures for many children.

Please donate today to support SunRidge School in Sebastopol, CA. Donations are accepted from private parties or businesses. Auction donations and questions can be emailed to sunridgeauction@gmail.com. We are a nonprofit, 501c3 organization; your donations are deductible to the fullest extent allowed by law.
