Please support SunRidge Elementary School

On behalf of the SunRidge Educational Foundation, this is a request for your support of our annual online auction to be held March 10 - 24, 2022. SunRidge School serves over 270 students in grades K-8 in Sebastopol and is dependent on donations from individuals as well as local and larger businesses to provide an exceptional learning environment for our students.

Your support will allow us to make a number of much needed improvements to the school. SunRidge School will be auctioning many fun and unique items to raise money for our garden program (through composting and irrigation improvements), to add air conditioning and improved ventilation to our classrooms along with creating outdoor, shaded instructional and eating spaces.

Along with our wonderful faculty and the community's passionate involvement, you can help ensure the School's long-term success and continue the reality of creating bright futures for many children, great reasons to align your organization with our progress.

Please donate to support SunRidge School in Sebastopol, CA. Donations are accepted from private parties or businesses. We are a nonprofit, 501c3 organization; your donations are deductible to the fullest extent allowed by law. The auction site is <http://www.biddingforgood.com/sunridge>

"Thank you-thank you!" on behalf of our students.
