Check in: Topic: What's going on in our classes. Busy? Bursting? Need support?

Faculty Report

- No faculty report this week. Jehanne Hale was absent.

Admin Report

- Open House/Open Enrollment was successful. Jana, Kalen and Piper presented to the prospective Kindergarten parents. Classrooms were open for walk throughs. There were about 70 people in attendance. (40 Kindergarten parents and 35 grades parents)
Prospective parents were impressed with the beauty of the campus and what SunRidge has to offer.

- Kalen discussed the fundraising planning process and as well as the approval process.
- **Business Items**
- Sheina updated us with the Contra dance plans. Set up and clean up was sorted out.
- Conversations continued about the Spring Fling. There will be a Spring Fling committee which will continue with this process. There was much interest in a bike rodeo. There was also interest in food trucks, but there are complications with this. Lauren suggested a portable pizza maker and this may be more possible.
- Cheryl updated the group with the auction. So far we have \$24,500 worth of items. Items continue to come in. Marketing needs were addressed.
- Sheina brought up some interest in regard to a rummage sale to help raise pledge monies for those who cannot support monthly pledges. This idea was welcomed, as long as it is not suggested as a pledge fundraiser, but more as a way to increase money for school programs.
- Fundraising for current 7th and 8th grade was discussed.
