We need to figure this out and fill in the blanks.

The Parent Council holds the volunteer picture of the school. What does each teacher need this year? Check in's will be focused around the needs of your class, what is happening and what are the current volunteer expectations and/or agendas for that class, is there anything the PC needs to know about or can help with. It would be helpful to talk to the teachers early on in the year to see what the teachers will need.

Check in:

6th: School lunch fundraiser

7th: rummage sale

8th: What is their fundraiser?
